Mr. Richard Peek, Secretary  
Florida Association of Mortgage Professionals  
921 Douglas Avenue, Suite 200  
Altamonte Springs, FL 32714

Dear Richard:

It was a pleasure to meet with your leadership at the Florida Association of Mortgage Professionals meeting in Orlando last month. It is always useful and informative for me as a regulator to meet with those who have their boots on the ground and know what is going on in the industry.

Associations such as FAMP truly benefit their members. Without them the voices of the industry would not be heard nearly as effectively. It is in times like this where the industry is under strain that issues are the most important and the association has its greatest value.

The Office looks forward to its continued work with FAMP and its members.

Sincerely,

J. Thomas Cardwell
