*Three Sparkling Reasons to
Sponsor a New Member*

Proudly wear the FAMB Ruby, Emerald or Diamond membership pin!

FAMB recognizes members who contribute to the growth of our Association by presenting them with a special membership pin signifying the levels of Gem Society sponsorship. If you have found your FAMB membership to be professionally and personally beneficial, consider inviting your professional colleagues to join our ranks.

Becoming a Gem Society member is easy. Provide one of your colleagues with our membership application and ask them to show your name on the sponsorship line. We'll track the number of members you sponsor. If they wish to join online at www.famb.org, merely ask them to place your name in the sponsor column. When you have sponsored five new members we'll recognize your efforts and present you with our FAMB lapel pin containing a ruby stone. Those members responsible for sponsoring 10 new members receive a lapel pin containing an emerald stone. Sponsor 20 members and receive a diamond stone lapel pin.

FAMB is the oldest and largest mortgage broker association in America... the result of members spreading the word about the benefits of FAMB membership. Proudly wear our Gem Society Pin.

All Gem Society members are recognized on the FAMB website at www.famb.org
